### Terminal Disclaimer under 37 C.F.R. 1.321(c)

The Assignee, owner of a 100% interest in the present application, hereby disclaims, except as provided below, the terminal part of any patent granted on the instant application, which would extend beyond the expiration date full statutory term as defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending and commonly assigned second Application No.: **09/932,433**, filed on **August 18, 2001**, of any patent granted on the second application.

The Assignee hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the above-listed second application is commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors, or assigns.

In making the above disclaimer, the Assignee does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent granted on the second application as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such patent expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed, in whole or in part, under 37 C.F.R. 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The requisite fee under 37 C.F.R. 1.20(d) is enclosed herewith.
